Dear Parishioner,

Our parish as a charitable institution can claim back tax on contributions received each year. If you contribute in total €250 or more during the year a percentage can be claimed back from Revenue. All that is needed is for you to complete a CHY Enduring Certificate which is good for five years. These forms are available from the parish office and can be posted to you.

This is a very worthwhile scheme that is operated by many parishes in the country and could be a good source of revenue for the parish especially at this time. I wish to express sincere thanks to everyone for your contribution to the upkeep of our parish.

Yours Faithfully, Fr. Raymond Sweeney
